Cash Back Checking Qualifications

When the Cash Back Checking qualifications are met during the qualification cycle*, you will receive 2.50% cash back on debit card purchases that post to and clear your account during the qualification cycle, up to $300 in total debit card point-of-sale purchases. The cash back rewards will be credited to your account on the last day of your statement cycle.

To qualify for Cash Back Checking rates, you must:

- Receive your monthly statement electronically (Online Statements)
- Have 10 debit card point of sale transactions post and clear^ during the Qualification Cycle
- Have at least one direct deposit or one auto debit via ACH during the Qualification Cycle

If monthly qualifications are not met, we will pay not less than the minimum rate on your account.

Maximum Debit Card Purchases per Cycle to Earn Rewards	Cash Back Reward	Maximum ATM Fee Reimbursement per Cycle
$300.00	2.50%	$20.00

If you close your account before cash back and ATM reimbursements have been credited, you will not receive these rewards.

Refer to the Truth in Savings disclosure for accrual and compounding information. Fees may reduce earnings. Refer to the Fee Schedule for applicable fees.

*Qualification Cycle: A period beginning one day prior to the first day of the current statement cycle through one day prior to the close of the current statement cycle. (One-day asynchronous - weekend processing)

^Post and Clear: This is the process of a purchase appearing on your account (posting) and then the cash finally coming out of your account (clearing). All qualifying transactions on the account must be posted and cleared during the qualification cycle, which could take anywhere from, but not limited to, 1-5 business days to post to an account from the date the transaction is made. ATM withdrawals do not qualify.

Note: Jordan Credit Union will send you an email at the end of each statement cycle that will let you know if you have met the qualifications above. There is no penalty for not qualifying.
