## MAYA TRIBUTE

Maya, a K9 for the West Jordan Police Department, was tragically killed due to a suspect pursuit ending in a Jordan Credit Union parking lot on February 17th.

While, the West Jordan Police Department (WJPD) has the in-house resources for the K9 training. Dogs with the right temperament and abilities are difficult to find, and cost \$9,000.

We invited our members and community to join us in the memory of Maya and show support of the WJPD by raising the funds necessary to help the WJPD purchase a new K9.

The result was humbling. Our members and community rallied together and by Tuesday the following week, we had met our goal.

We presented the check during West Jordan's City Council Meeting March 9th. We are pleased to be members of the West Jordan Community and are proud of the support we get from all of our local police departments.
